LIFE INSURANCE.

THE KNICKERBOCKER
MUTUAL LIFE INSURANCE COMPANY,
OF NEW YORK.
Southern Branch, SAVANNAH, Ga.

A. WILBUR, *Manager.*
R. D. ARNOLD, *Consulting Physician.*

THE ONLY BRANCH OFFICE OF LIFE INSURANCE IN THIS SECTION WHERE POLICIES ARE ISSUED AND LOSSES PAID.

ASSETS NEARLY
$5,000,000.
ANNUAL INCOME NEARLY
$3,000,000.
Annual Dividends nearly 50 per cent.
$73,500 LOSSES PAID BY THE SOUTHERN BRANCH IN TWO YEARS.

THE KNICKERBOCKER IS AN OLD, RELIable Company, and offers as great inducements to insurers as any solvent Company can. Issues Policies on every desirable plan. Loans one-third of Premium to Policy-Holder.
All Policies non-forfeitable, as the insured can at any time, on demand, get its surrender value.
NO RESTRICTIONS ON RESIDENCE OR TRAVEL.
NO EXTRA CHARGE for OFFICERS of the ARMY or NAVY, Officers of first-class Steam or Sail Vessels, or Railroad Conductors, &c.

The "KNICKERBOCKER" is ONE of the TWO Northern Companies whose Policies in the South were kept intact during the entire rebellion, whose Dividends were accredited to Policy Holders as though Premiums were paid.

And is THE Company that paid all losses after the war, that occurred during the war, thus proving its integrity, the honorable method of conducting its business, and its indisputable solvency.

The KNICKERBOCKER still pays all losses, never disputes a just claim, and is as liberal and SAFE as any Company in America.

PUBLIC AND PRIVATE BUILDINGS, RAILROAD DEPOTS, SHOPS, ROLLING STOCK, BRIDGES AND TRACKS, FACTORIES FOUNDERIES,

I will when desired issue Permanent Policies which insures the property specified forever, unless the assured chooses to cancel his Policy in which event all the premium he has paid will be returned less five per centum.
The loss of a Court House or other Public Building at the present time would be a public calamity, whereas a trifling amount paid for a policy
WILL SECURE A SUFFICIENT SUM TO REBUILD SHOULD THE PROPERTY BE DESTROYED BY FIRE.

LIFE INSURANCE.

ALL CASH PLAN OF THE
ÆTNA
LIFE INSURANCE COMPANY,
OF HARTFORD, CONN.

W. H. CROW, General Agent for North Carolina and Virginia, South of the James.

Accumulated Capital, over $10,000 00
Annual Income, 6,000,000
Surplus, above Liabilities, 2,000,000

THE ÆTNA
Has $136 Assets for every $100 Liabilities.
ALL POLICIES STRICTLY NON-FORFEITING.

CASH RATES!
CASH POLICIES!
CASH DIVIDENDS!

DIVIDENDS PAID ANNUALLY, COMMENCING AT THE END OF THE YEAR.
Dividends may be used to reduce the annual Premium, or increase the Cash value of the Policy.

NON-FORFEITING CASH PLAN.

The Ætna issues Policies on the various forms of whole life and endowment insurance, with dividends on the contribution plan, which may be applied to the reduction of each annual premium after the first, or the full premium, may be paid each year and the dividends applied to reduce the number of annual premiums, together with the period fixed for the maturity of the insurance, so that endowments can be paid to the insured before the time originally specified, and life policies before death.

By this plan of applying the dividends to lessen the cost of the insurance on the original policy, instead of increasing the amount of insurance, and of course its total cost, and the policies will become self-sustaining much sooner than in other companies; and in case of inability to continue payments, give a larger paid up-policy.
When, by adding the dividends to the Cash Value, the accumulations on any Policy shall have become sufficient to keep the same in force for its *full amount*, without further payments, the assured may, at his option, either continue payment of premiums—and enlarge thereby the annual additions to its Cash Values—or discontinue them; and in either case, when the accumulations shall have become equal to the sum insured, the annual dividends on the Policy will be declared as a per centage of said sum, and paid in cash, and upon surrender of said Policy the sum insured thereby will be paid in *full*, without regard to the time fixed therein for its payment.
The system of applying the dividends is peculiarly advantageous to the assured, securing, at an increased age, not only relief from further payment of premiums, but at the same time, an annual income until death, unless he shall have previously received full payment of the Policy.
The New York *Insurance Monitor* says of the ÆTNA:
"No Life Insurance Company ever achieved so complete a success as this popular institution.—Its popularity is altogether unprecedented in the annals of commercial enterprise in this country."

NEW ARRANGEMENT.

The RALEIGH SENTINEL having passed under the Editorial management of the undersigned, it will, from the present date, be conducted by him.

It will be the zealous and fearless advocate of the CONSTITUTION of the United States, seeking to bring the people back to their ancient reverence for that immortal instrument, and to restore the policy of the country to that honored standard, as the only guarantee of National prosperity.

It will do justice to the men and measures of the present day, whenever they may merit it, but it will unsparingly lash and denounce all who set themselves up in opposition to the Federal Constitution, and hold up to the public indignation corruption and imbecility in high places.

It will ardently seek the promotion of the best interests of North Carolina,—moral, educational, material and political.

THE LATEST NEWS

From every quarter, both by mail and telegraph, will be carefully collated and presented.

Full and correct market and financial reports will be given.

And, in one word, no effort will be spared to make the SENTINEL, in all respects, a reliable

THE SENTINEL.

JOSIAH TURNER, Jr., EDITOR.

MONDAY, APRIL 12, 1869.

TO OUR FRIENDS.

The present proprietor of the *Sentinel* for over four months has been supplying the old subscribers with their papers without pay, as his contract with Mr. Pell required. To do this however has caused a large out lay. He appeals, therefore, to the friends of the *Sentinel* to go to work at once and get up at every p stoffice in the State a club of subscribers for the Daily, Semi Weekly and Weekly. Any one who will pro cure for us a club of TEN SUBSCRIBERS and the money for the same, will receive a copy free. Price of the Daily $10 for one year; $5 for six months. Semi-Weekly one year $5; six months $2.50. Weekly one year $3; six months $1.50.

ANOTHER LETTER.

The Adjutant General, A. W. Fisher Chief of O. F., has replied to the Editor of the *Sentinel*, in a long letter, assuring him that he was acting in good faith when he proposed that the Governor would offer a reward of $500, if the Editor would state, upon "honor," that an attempt had been made to assassinate him. In the absence of Mr Turner, the Printer's devil has taken upon himself to acknowledge the receipt of this letter:

A. W. Fisher, Adj't. Gen. Ch of of O. F:

MY DEAR SIR—Your letter, addressed to the Editor of the *Sentinel*, was received on Saturday after the Editor had left for his home in Hillsboro'. I think I can safely promise you a full reply when he returns, if, in the meantime, he is not carried off by the midnight assassin or the Davie street mob, or by the shot in the back, which General Estes says "may be given with impunity or with a pardon already in the assassin's pocket."

Your letter has been forwarded to Mr Turner, who, this week, is at Person Court. Your first letter was signed A. W. Fisher, Adjutant General and Chief of O. F., your last letter is signed A. W. Fisher, Chief of O. F. Write us again, on "honor," and tell us what O. F. stands for, for we don't know. If you had signed A. W. Fisher, O K., we could have understood you as "all right." If you had signed O. S., we should have read you Orderly Sergeant, but then the question would have arisen, what is the Governor doing with an Orderly. We suppose, however, that O. F. designates some office imported with the carpet-baggers, and it may be, none can hold it but a carpet bagger. The truth is, Mr. Adjutant General, the Governor made a mistake in getting clear of his Private Secretary, Col. Douglass. This correspondence, on the part of the Governor, should be the work of a Private Secretary and not of the Adjutant General or of the Chief of O. F.

Yours, "on honor,"

THE PRINTER'S DEVIL.

P. S. You may think some apology necessary for my appearance in this correspondence, and I think so too, for in it we are both entirely out of place. I have this excuse for my appearance. When the Editor is absent the Devil is Boss.

THE HANDS ARE OFF.

Poet Laflin's muse must come again to our rescue!

"Sound the lead timbrel o'er Carolina's dark sea."

At 7 o'clock this morning the hands "broke up" and by this time are on the way that leadeth homewards—i. e. those of them who have homes to which to go.—What a blessing! How can we realize it? The hands are gone. It is truly a time for hand-shaking and congratulation. Here Hall, come and let us shake vigorously. It is a long lane that never turns, runs the adage, and its a long session that never ends. For six months old North Carolina is to breathe free; no hideous nightmare of Radical legislation is to add for that period any additional weight to the ponderous load that already oppresses and ruins her.—Let us all be thankful. We will not see the hands for a season. We rejoice.

"A surfeit of the sweetest things
The deepest loathing to the stomach brings."

But what brings pleasure to the people brings pain to their noble representatives. Whilst all of us are jubilant at their departure, they are sad. We say farewell hands: they say farewell, sweet, precious, necessary *per diem*—*adieu la voiture, adieu la bonne que*

THE GAS REFUSES TO BURN.—The hands met this morning at a very early hour. An attempt was made to have light by which to close up their proceedings, but tell it not in Gath, preach it not in the streets of Askalon the GAS REFUSED TO BURN! that the hands were forced to "strike ile" and burn candles. What a commentary upon their Legislation! Even the *gas* refuses to shed light upon the closing scenes of a body that has disgraced the State and brought ruin upon the people!

RUFUS MASON, *Esquire*, one of Governor Holden's appointees, was committed to jail last week by His Honor Judge Watts, for twenty days. Will the *Standard* inform the public what is the offence? Can it tell any thing about the "bee-gum?"

THANKS.—We are under especial obligations to our friend W. K. Davis, Esq., of Louisburg, for a club of ten subscribers.—Who will be the next to place us under a similar obligation.

NEW ADVERTISEMENTS.—Groceries, Pea Nuts, Coffee, Sugar, &c., at G. T. Stronach's

PINCHBECK.

Such is the name of the negro appointed to office in New Orleans by President Grant. The name fits the character of the appointee. It was this fellow who threatened New Orleans with the torch, and for that act, it may be, he is rewarded. The other negro from New Orleans, Menard by name, who was elected to Congress, but was not permitted by his chosen friends to take his seat, is a fellow of "the same kidney." He was one of the instigators and ring-leaders in the insurrection of Jamaica in 1865. So says one of the Jamaica papers. Pinchbeck and Menard a sweet couple truly!

ANOTHER MISTAKE.—"Willow Basket" writes us from Goldsboro', that he has received three times "a copy of the *Weekly Sentinel* dated April 6th, which was originally directed to R bt. I. Jones, Cunningham's Store, Person County, N. C." He says in his note of April 10th, that "this package was received by me this morning at Greensboro', out of the exchange pouch made up by the Danville Route Agent on the N. C. R Road." He says, "all the agents on the North Carolina road know where Cunningham's Store is, and is *carefully put it off* at, Hillsboro I" Perhaps "Willow Basket" believes this statement. If it is true, why then do the papers of Col. J. W. Cunningham and Dr. John C. Terrell, [*mailed under the same wrapper that Robt. I. Jones' is*] go regularly and Mr. Jones' does not? *How do Jones' papers get out of the wrappers.* Will "Willow Basket" please inform Dr. Jobe?

THE WILMINGTON *Journal* says the *Sentinel* ordinarily comes to hand a day or two after the *Standard*, and suggests that it is the fault of some route agent. We do not know how that is. The *Sentinel* is an evening paper, and will necessarily go to Wilmington a day later than the *Standard*. The *Standard* of to day's date, which went to press Saturday night, will go to Wilmington to-night. The *Sentinel* dated to day, but which goes to press this afternoon, will not get to Wilmington until to-morrow night, inasmuch as it cannot possibly leave Raleigh before 7 20 to-morrow morning. This, we presume, is the proper explanation.

AN EMBARGO UPON MARRIAGE.—"Love lorn lasses" in some portions of "old Virginny" may not legally wed because there are no authorized persons to issue the requisite marriage license. Another marvellous achievement of the "advanced civilization." Wherever Radicalism has gone it has carried blight and sorrow.—It has brought trouble to love-sick swains and lasses and excited complaints far and near.

MAJ. A. M. LEWIS.—We are really glad to learn that this well known gentleman, who moved from this city to Memphis, Tenn., some three and half years ago, has determined to return to our State, and to resume the practice of the law.—He was until recently associated with Judge Heath (formerly of N. C., and a distinguished jurist,) in the practice of his profession in Memphis. They did a large business and were retained in some very important cases, as the writer happens to know. Maj Lewis leaves to-morrow for Memphis, and will return to this city with his family in a few weeks.

CAPTIONS.—Our paper is almost entirely given up to the publication of the Captions. After a few days we will have gotten through with speeches and other matter that have accumulated, and which concern the hands and their doings, when we will feel vastly relieved. We will then be able to give more variety and interest to our columns.

Rev. Mr. Lambeth, of Virginia, preached an excellent Sermon at the Methodist Church on Sunday evening from Matt. 22: 5 a. "And they made light of it."

An attempt to assassinate Hon. Josiah Turner, the editor of the *Sentinel*, was made on Tuesday night last, by firing through his window, while he was sitting in his room. The attempt was unsuccessful.—Thus, under Gov. Holden's nose, is the freedom of the press sought to be muzzled. *Greensboro Patriot.*

SECOND ATTEMPT TO ASSASSINATE.—On Tuesday night at 12 o'clock, while Mr. Turner, editor of the *Sentinel*, was sitting at his table writing, some one fired through the window at him, the ball penetrating the blinds and glass and then entered a bed in the room. This is an outrageous attempt at assassination; and doubtless Estes' assertion that Holden would pardon the perpetrator prompted the deed, and Holden is responsible to God and man for this violation of all law and security of home.—*Char. Times.*

The Executive Committee of the Carolina Immigration Association, desires us to urge upon the Commissioners, appointed for the various counties, to use their immediate exertions towards raising the required funds for Mr. Atkinson. It is desirable that the funds should be sent to him at an early day. All money should be sent to Mr. E. B Borden, Treasurer of the Association, at Goldsboro, N. C.—*Goldsboro Messenger.*

There is some talk of having a Tournament at Goldsboro soon. Better all go to work.

Eugene Sue's posthumous novel, about the publication of which there was a long law-suit before the courts of Switzerland and France, has at length been issued at Paris. The title of the book is "Camilla; or, the Mysteries of the Heart." The work is dedicated to Victor Hugo.

That an actor looks most killing when he is murdering his part.

That the strongest men in the world are railway carriers.

Thoughtful hospitality—Entertaining an Idea.

TELEGRAPHIC.

Saturday Midnight Dispatches.

FROM WASHINGTON.

WASHINGTON, April 10.—The Memphis and El Paso road, encouraged by favorable congressional expressions, will commence work at once. Congressional action in its behalf was merely to grant the right of way. It appears to have been defeated this session by the friends of Northern routes who sought to force the Memphis and El Paso road into combination.

The whiskey and tobacco bill, signed to-day, extends the time for withdrawing spirits from bond to June 30th, 1869, and subjects it to 1 cent a gallon per month, after the 30th. of April, and forfeits it if not removed on or before the 30th. of June 1869. It also provides for refunding the tax on tobacco in certain cases.

Impeachment Ashley was confirmed Governor of Montana, after a sharp debate, by a majority of one.

New York nominations were defeated by a strong effort on the part of Conkling.

The President, with Rose, Fish and others, were at the Capitol to-day considering and signing bills.

Fifty-three nominations were unconfirmed at noon to-day. There must a renewed executive session. The Senate will probably continue in session several weeks.

The following is the full text of the act authorizing the submission of the Constitutions of Virginia, Mississippi and Texas to a vote of the people and authorizing an election of State officers provided by said constitutions and members of congress, as approved and signed by the President to-day:

Sec. 2 That at the same election the voters of said State may vote for and elect members of the General Assembly of said State, and all the officers of said State provided for by the said Constitution and declared by the Governor of Virginia, and the officers commanding the District of Virginia shall cause the lists of registered voters of said State to be revised, enlarged and corrected prior to such election according to law, and for that purpose may appoint such registrars as he may deem necessary, and said elections shall be held and returns thereof made in the manner provided by the acts of Congress commonly called the Reconstruction acts.

Sec. 3. That the President of the United States may, in like manner, submit the Constitution of Texas to the voters of said State at such time and in such manner as he may direct, either the entire Constitution or separate provisions of the same as provided in the first section of this act to a separate vote, and at the same election the voters may vote for and elect the members of the Legislature and all the State officers provided for in said Constitution and members of Congress.

Sec. 4. That the President of the United States may, in like manner, resubmit the Constitution of Mississippi to the voters of said State at such time and in such manner as he may direct, either the entire Constitution or separate provisions of the same as provided in the first section of this act to a separate vote, and at the same election the voters may vote for and elect the members of the Legislature and all the other officers provided for in said Constitution and members of Congress.

Sec. 5 That if either of said Constitutions shall be ratified at such elections the Legislature of the State so ratifying, elected as provided for in this act, shall assemble at the capital of said State on the 4th. day of July the officers provided for in this act, shall assemble at the capital of said State on the 4th. day of July the officers provided of such ratification by the military officer commanding in said State.

Sec. 6 That before the states of Virginia, Mississippi and Texas shall be admitted to representation in Congress their several legislatures, which may be hereafter lawfully organized, shall ratify the 15th. article which has been proposed by Congress to the several States as an amendment to the Constitution of the United States.

Sec. 7. That the proceedings in any of the said States shall not be deemed final or operate its complete restoration therein until this action respectively shall be approved by Congress."

RICHMOND, April 19.—The Conservative State Central committee, in view of the recent action of Congress, have called a Conservative State Convention, to meet here on the 28th. of April. It is stated that the Conservatives will not nominate a candidate for Governor.

HEAVY SURGERY.

RICHMOND, April 10.—To-day a man giving the name of James Chambers sued a bogus draft for $2,500, purporting to be drawn by McKim & Co., Baltimore, on Duncan, Sherman & Co., New York, to Wm. M. Sutton & Co., brokers, of this City.—He got the money and got off before the fraud was discovered, but was arrested in Petersburg with half the money.

HIGHEST INSURANCE AUTHORITIES

SAY OF THE

BROOKLYN LIFE!

"A Company that makes such endorsements on its policies gives the strongest pledge that it will fulfil its trust faithfully, and keep its reserves sufficient."—HON. ELIZUR WRIGHT.

"The BROOKLYN LIFE has placed itself in the vanguard of insurance reform, and is the first Company that has done full and complete justice to the insured."—INSURANCE TIMES, Jan. 1869.

THE BROOKLYN LIFE, ALONE OF ALL OTHER LIFE INSURANCE COMPANIES, GUARANTEES A DEFINITE SURRENDER-VALUE IN CASH, AND EVERY POLICY ISSUED BY THAT COMPANY, BEARS A CERTIFICATE STATING WHAT THIS EXACT WORTH WILL BE IN DOLLARS AND CENTS, AT ANY TIME, AFTER THE PAYMENT OF TWO OR MORE PREMIUMS.

"The BROOKLYN LIFE has made no half-way work of the adoption of this inestimable feature. It is noteworthy, in this connection, as a merited tribute to the excellent Company (Brooklyn Life,) which has so gallantly raised the standard of reform in Life Insurance, that we find in the whole list of existing Companies, few competitors which deserve so much credit in respect of economy of management, or care, skill and judgment in the selection of risks."—INS. SPEC. Jan. 1869.

The BROOKLYN LIFE has paid, and now pays to its policy-holders, LARGER DIVIDENDS than ever before paid by a Life Insurance Company!

Dividends are paid IN CASH, or applied to the permanent increase of the policy, or left with the Company to accumulate at interest, in either way, at the option of the policy-holder.

I tell you Creech's is the place. And permit me to return my sincere thanks for your very liberal and valuable patronage for the last twenty five years. I hope by strict attention to business and honest dealing, giving each and every one the worth of their money that I will continue to receive a liberal share of your patronage. ANNOUNCES TO THEIR PATRONS AND the public, that they have just received their Spring Stock of Superior English, French and German

which will be made up by the best workmen in the State, and in the latest styles charges exceedingly moderate, and satisfaction warranted in all cases.

March 29-2m.

SYNOPSIS OF STATEMENT FOR 1868, OF THE CONNECTICUT MUTUAL LIFE INSURANCE COMPANY.

Income from Premiums,	$7,161,804 11
Income from Interest,	1,384,905 48
Total Income for the year,	8,546,709 59
Losses paid,	1,221,235 00
Dividends paid,	238,264 00
Total Losses paid to date,	8,090,883 00
Total Dividends paid to date,	2,197,276 00

It will be seen from the above that the receipts FROM INTEREST ALONE greatly exceeds the losses, and that the TOTAL INCOME FOR ONE YEAR is more than the TOTAL LOSSES PAID TO DATE.

The Assets of the Company are now over TWENTY-THREE MILLIONS OF DOLLARS, and with its IMMENSE INCOME offers greater inducements to those insuring than any other Company in the country. In addition to the patronage system of premiums with dividends annually payable after four years, it issues Policies upon a reduced all-cash premium, with immediate ANNUAL DIVIDENDS. It can be plainly seen that the Connecticut Mutual Life has been doing a safe and increasing business for the last twenty-two years. It does not deem it necessary to make grand promises of what they INTEND doing, but will insure persons on any plan most desirable, and it makes all its policies non-forfeitable, for a stated amount, after two or three payments. Also remember, this Company has $134 Assets securely invested, for every $100 of its Liabilities.

Wheeden's Excelsior Labor-Saving WASHING COMPOUND.

Patented Sept. 23, 1868.

REASONS FOR PREFERRING THIS SOAP.

The Patentee claims for this soap the following advantages which are clearly set forth in the Letters Patent, to-wit:

First, it can be manufactured at less than half the cost of any soap ever produced.

Secondly, it may be used successfully in any kind of water—cold or hot, hard or soft.

Thirdly, it so modifies the action of boiling water on woollen goods that, if you do not contract under its influence, and your woollen garment is as large after boiling as before.

Fourth, it does not decompose the colors of goods, and your prints and carpets are as brilliant after washing as before.

Fifth the goods do not require any rubbing or pat-ut washing machine—as most is necessary is a few minutes boiling and a good rinsing.

CAUTION!

WE desire to warn the dealers in, and consumers of Snuff generally, that since the war, certain Tobacco Manufacturers, being unable to find a market for their snuffs, felt themselves obliged to counterfeit the general appearance of our packages and imitate our Trade Marks so that a close inspection is necessary to detect the spurious article from the genuine, and others going so far as to assert that "Lorillard's Snuff is no longer made."

In making this publication we desire to warn the public against the impositions practiced upon them, as they are the losers thereby. It will be found, upon comparison, that Lorillard's snuff is "far ahead" of all others, being made of the best stock, after an original and secret process known only to ourselves, besides possessing great age, strength and pungency, and is warranted not to contain any dangerous or deleterious substances, which cannot be said of many worthless articles put on sale by others. The best is the cheapest in the end. A circular will always be mailed on application. In ordering please specify if Salt Snuff (High Toast,) or Fresh Snuff (Extra Scotch) is desired.

LIFE INSURANCE.

NATIONAL

LIFE INSURANCE COMPANY,

OF THE

UNITED STATES OF AMERICA,

WASHINGTON, D. C.

Chartered by Special Act of Congress, Approved July 25th, 1868.

CASH CAPITAL,

$1,000,000,

PAID IN FULL.

It is no longer a question with any man, who tenderly loves his wife and children, who considers how helpless would be their condition in case of his death, as to the duty of taking out a LIFE POLICY, but as to which Company he shall pay his money.

If he reflects a moment he will conclude to patronize the Company which shows the greatest degree of vitality, which extends its business over the largest area, which is a Home Company in every locality; which furnishes insurance at the least cost; which issues no policies that are forfeitable should he be unable next year, or any subsequent year to pay his renewal; and which is undoubtedly able to meet ALL ITS PROMISES.

With these feelings and views, he looks over the newspapers, and, by the time he gets through reading the advertisements of Mutual or Mixed Companies, he finds his mind so muddled that he is at a loss where to go or what to do. He can not comprehend one-half that is written, and concludes that none but ACTUARIES, who are familiar with the principles upon which Life Insurance is based can comprehend or explain anything about dividends and his liability for notes given in part payment of premiums. In his dilemma, he goes into the plan adopted by the

NATIONAL

LIFE INSURANCE COMPANY,

U. S. A.,

and finds just what he wants:

An ALL CASH PLAN, reduced to the LOWEST MINIMUM Rate, like any commodity in Market, so much Insurance for so much Money. No notes to give; no interest to pay; no anxiety about Assessments; no apprehension of his Policy being forfeited next year if he does not pay his annual Renewal; and the RATES so much LOWER than other Companies, that he realizes a larger Dividend, IN ADVANCE, than other Companies can pay him in the future.

He finds that, instead of this UNCERTAIN PROMISE, and present high rate, that the

NATIONAL

presents a certain and definite sum for a much lower rate, and puts up its paid up Capital of

$1,000,000

as a guarantee fund, that its contracts will be fulfilled, and, like thousands of others, cheerfully calls on their Agent to make his application for a Policy. Hence the unprecedented and most wonderful success of the NATIONAL as contrasted with the older and Mutual Companies.

The Company issued its first policy on the 1st of August, 1868, and up to March 1st, 1869, it had issued

3,582 policies,	
Amount insured,	$10,005,500.00
Total Premiums,	360,117.63

The whole number issued by the Connecticut Mutual in the first year of its existence was 572

By the Mutual Benefit of New Jersey,	631
" New England Mutual,	849
" Phœnix Mutual,	335
" Massachusetts Mutual,	519
" Equitable of New York,	277

The Mutual Life, of New York, in the first year of its existence, only issued 470 policies.

In its 10th year,	1,260 "
And in its 20th year,	2,942 "

this latter being 630 less than was issued by the NATIONAL in its first seven months.

NEW METHOD OF WASHING CLOTHES WITHOUT LABOR.

THE AUTOMATIC

CLOTHES WASHER AND BOILER.

THIS BOILER IS MOST EFFECTUAL, reliable and universally recommended. It can be used on any stove or range, in any boiler, and the LOW PRICE of the article places it within the reach of every family.

This Boiler operates upon purely philosophical principles, is self-acting, and dispenses with labor and the wear of the garments.

The hot clear and steam, by the action of heat, are driven up through valves, poured upon the clothes, and forced through the fabric with astonishing rapidity, cleansing all articles, from the finest laces to the coarsest blankets. For flannels it is invaluable, as it does not run them as in the old process of rubbing and pressing.

The time required for cleansing a boiler full of clothes is twenty to thirty minutes, and nearly three hundred pieces of linen were thus forced through the fabric thoroughly cleansing and renovating them WITHOUT LABOR or friction.—A thorough rinsing finishes the process.

Washing day will no longer be a terror and dread to housewives. The cost of the Boiler will soon be returned in the SAVING OF TIME AND LABOR, and the great saving in the wear of clothes.

The great value of this invention appears so clear, and appears so directly to commend itself, that we have deemed it unnecessary to accompany the introduction with numerous letters of approval, &c.

So invention has met with such ready sale and given such satisfaction. Call at LOGGIE & BROTHER'S, and see its wonderful operations.—We have the exclusive right to sell and manufacture in the state
